A Control Group (LP Version)

Mates of State

Advance my directive
All the way so I can take it with a smile
And in case you don't back in time
Your orphan-products they might just do the trickI am not your yellow knot
Who falls around on what is foundKeep advised of her condition
As for here, things remain remarkably clear
And in case you don't step aside in time
I'd like to try them instead of option ace-squareI've waited many times for this one
You come in two's, you're coming toI am not your yellow knot
Who falls around on what is foundAdvance my directive
All the way so I can take it with a smile
And in case you don't back in time
Your orphan-products they might just do the trickKeep advised of her condition
As for here, things remain remarkably clear
And in case you don't step aside in time
I'd like to try them instead of option ace-squareI've waited many times for this one
You come in two's, you're coming toBuy your own, once in a lifetime
You grow old and then
Hold your own, try not to out-do
You'll grow old and then
