

# State of Shock

## Yann Tiersen avec Marc Sens

Yeah, come on, baby  
You gotta be mine 'cause you're so fine  
I like your style, it makes me wild  
You take it to me good, you like it, know you should  
You get me on my knees, well, please, baby, please  
Listen  
She looks so great, every time I see her face  
She put me in a state, a state of shock  
Oh, do it, come on, baby  
Come on, baby, come on, baby  
She put me on my knees, please, baby, please  
I know you like to tease, please, baby, please  
You take it to me good, you like it, know you should  
I love the way you walk and talk, baby, talk  
Listen  
She looks so great, every time I see her face  
She put me in a state, a state of shock  
She put me, state of shock  
Come on, dear, no, come over here  
Talk, talk to me, state of shock  
State of shock  
You put me in  
You know I've really love you, baby  
State of shock  
You know I really want you mama  
You got me paralyzed  
You got me paralyzed  
You got me catatonic  
You got me catatonic, baby  
State of shock  
You got me supersonic  
You got me supersonic, baby  
Baby, try, you know I'm deep fried  
State of shock  
Yeah, look what you've done to me  
Look what you done to me  
Look what you done to me  
Yeah, I can hardly move  
State of shock

You know I need mouth to mouth resuscitation

Come on, baby

You know I've really loved you, baby

State of shock

You know I've really want you for me

Yeah, baby, yeah, baby

Just look at me, look at me

State of shock

You drive me

You call me, you call me

You call me in a state of shock

Look at that, look at me

Look at me, look at me

Look at me, oh, look at me
