## **Razorblade Salvation**

## **Jedi Mind Tricks**

I know all the times were hard, I know that you've been feelin' down

If you only knew how I'm feelin' for you

If I could take your pain I wish that I could wash it all away

If you only knew how I'm feelin'Mommy, I'm sorry if my first letter made you cry

To be honest with you, I don't think that I want to die

Sometimes I feel like that I'm cancerous in other's lives

That's probably why I drink at night and sleep 'til four or fiveIt's kind of hard walkin' through life with my distorted eyes

When I was younger, I was stupid and I thought I'd thrive

I thought a lot about everything I said in the letter

And questioned whether or not if I was dead, you'd be betterYou think my shorty would be happy if I never met her?

It's too late now, mommy, I could never forget her

Could never forget how she taught me to love

'Cause my father and my grandmother is always above It's glory above, you know that daddy taught me to thug

And every time we was with nanny she'd bombard me with hugs

Damn, I miss her, mommy and it's hard to believe

That I'm grown and I don't understand it why did they leave? It's better to die and sleep

Then never wake and sleep

Then linger on and dare to live

When the soul's life is goneYou've been runnin' around for so long

You've been hurtin' yourself too much

You keep messin' around with darkness

You're the one who's losin'You've been runnin' around for so long

You've been hurtin' yourself too much

You keep messin' around with darkness

You're the one who's losin'Mommy, I think that I'ma try to stick around a while

I got a niece and my nephews, they need me 'round a while

I think they need me 'cause they hittin' that age

And they ain't tryin' to speak to Lenny 'cause they spittin' they rageYeah, and mommy, speakin' to Lenny, I think my brother need me

And we Italian, so you know my mother love to feed me

And it's the little things you do for me that make it worth it

Like when I play a joint that we did and you say it's perfectAnd when Jake got knocked, you knew that I was

hurt

You told me put all of my heart in the song and it worked

I promised him that I'd be there when he got out the bing

You ain't raise me to be a liar, ma, that's not my thing I told him that I'd hold him down the whole time that he

They kept him locked inside a cage but that's cool 'cause he's strong
So mommy, keep that first letter I wrote you on the low
I think I wanna stay alive and see if I can growYou've been runnin' around for so long

You've been hurtin' yourself too much

You keep messin' around with darkness

You're the one who's losin'You've been runnin' around for so long

You've been hurtin' yourself too much

You keep messin' around with darkness

You're the one who's losin'{ You have power and money but you are mortal

You know you cannot escape death

But immortality can be obtained

The legend is always the same { If others have succeed in conquering death

Why must we accept it?

I know where the immortals live

And how to obtain their secret \{ We too must become wise men

The elements of chemistry are many but finite

So are the techniques of enlightenment} I know all the times were hard, I know that you've been feelin' down

If you only knew how I'm feelin' for you

If I could take your pain I wish that I could wash it all away

If you only knew how I'm feelin'
