Jesus Must Be Honoured

Buchi

Jesus must be honoured
Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
Jesus must be honoured
Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
I was listening to the radio
When I heard this ya beautiful song
Saying Jesus must be honoured
In my life every day
Yes indeed, I agree
That it is good to honour Jesus Christ
He did for humanity
What no friend, no brother can do
Many years have come and gone
Since this Jesus was crucified
But we still gather around
Unto Him who died for us
There remaineth no more sacrifice
There remaineth no more ritual
What could be bigger than the death
Of the son of God at Calvary
In morning let us honour Him
Every time let us honour Emmanuel
Glory, Glory Hallelujah
To the Lamb on the throne
Everybody sing
Jesus must be honoured
Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
Jesus must be honoured
Must be honoured
Must be honoured

Jesus must be honoured
In my life every day
This is a message from Jehovah
Unto you who are living in the end time
In everything that you do
â€œSee that the name of My son is glorifiedâ€•
I hope you know who I'm talking about
Jesus!
Make I hear it again
Jesus!
Glory, glory! Hallelujah
To the lamb on the throne
Everybody sing
Jesus must be honoured
Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
Jesus must be honoured
Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
Many years have come and gone
Since this Jesus was crucified
But we still gather around
Unto him by whom we are called
There remaineth no more sacrifice
There remaineth no more rituals
What could be bigger than the death
Of the son of God
At Calvary
I know you know who I'm talking about
Jesus!
Make I hear it again
Jesus!
Glory, glory! Hallelujah
To the lamb on the throne
Everybody sing
Jesus must be honoured
Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
Jesus must be honoured

Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
Jesus must be honoured
Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
Jesus must be honoured
Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
Jesus must be honoured
Must be honoured
Must be honoured
Jesus must be honoured
In my life every day
