Grape Drank

Kovas

Drank drank don't want no juice no juice a splash of grape drank with my grey boots help me get looser drank drank don't want no juice no juice a splash of grape drank with my grey boots help me get loose. She want the top shelf vodka I can't stop her. a night at the opera nothin but drama.a drink and another drink and another.now she gettin fucked up like her mother.and now I gotta babysit, shit. I was tryna to take her out, take her home and hit. She was cute i was tryna just get some love. But she wanna pick a fight with some chick in the club. I gotta break it up break it up. I gotta break it up break it up. They asked us to leave but she says please not until I finish these. Drank drank don't want no juice no juice a splash of grape drank with my grey boots help me get looser. Drank drank don't want no juice no juice a splash of grape drank with my grey boots help me get loose.sugar water purple sugar water purple and alcohol and alcohol. Sugar water purple sugar water purple and alcohol and alcohol. She doin way to much better pump the brakes. I can stand a lot but that's all I can take. A lust for the lush that's my only mistake.This girl tryna drink 3 times her weight. I enjoy a little sippy I enjoy a little sippy but this girl just gets pissy drunk this girl just gets pissy drunk. Now geez Louise better get Velma to hold your hair back Velma to hold your hair back.Velma to hold your-get some of that drank drank don't want no juice no juice a splash of grape drank with my Grey boots help me get losser. Drank drank don't want no juice no juice a splash of grape drank with my Grey boots help me get loose. Sugar water purple sugar water purple and alcohol and alcohol.sugar water purple sugar water purple and alcohol and alcohol. Let's go get some food let's go get some food I'm fuckin hungry I'm fuckin hungry. Now let's go get some food lets go get some food I'm fuckin hungry I'm fuckin hungry. Drank drank don't want no juice no juice a splash of grape drank with my grey boots help me get looser. Drank drank don't want no juice no juice a splash of grape drank with my grey boots help me get loose. Sugar water purple sugar water purple and alcohol and alcohol. Sugar water purple sugar water purple and alcohol and alcohol. (sugar water and of course purple hahahahaaa. Let's get the fuck out of here.)
