A Letter To You

Aashna Nanda

I cant lie im terrified that you will never notice me again
I just want a chance with you to give you everything from me that i can,
I would love you till the end, give you the whole damn world.
Wont you please just notice me? my love for you is so pure.
We could be so strong, I know its been hard but nothing real is ever easy
I wanna be with you, belong to you,
Wont you call me baby?
Â We can start again. we can, last for forever
Â
I would give you the world, if you just gave me one chance.
dont you see how iâ€™m so in love with every detail of you?
I want to give you a new world, build it all for you. I see my whole within you,
All my loves devoted to you.

Give me one chance, I promise, I will love you till the end.
Give me on chance, I promise i will always put you first.
One chance, I promise, iâ€™ll give you everything in the world.
One chance, cant you see all I see is you?
All my loves devoted to you.
Â
I know you said you donâ€™t see anything with me,
But I still think and believe weâ€™re worth so much more.
Maybe we had to go our ways just for a bit to heal,
cuz I love you so damn much and Iâ€™ll wait for you. i love you
Â
I would give you the world, if you just gave me one chance.
Donâ€™t you see how iâ€™m so inlove with every detail of you?
I want to give you a new world, build it all for you. I see my whole world within you,
All my loves devoted to you.
i love you

Give me one chance, I promise, I will love you till the end.
Give me on chance, I promise i will always put you first.
One chance, I promise, iâ€™ll give you everything in the world.
One chance, cant you see all I see is you?
All my loves devoted to you.

i love your eyes, i love your smile, i love the ring of your laugh.
i love the way that you feel, the way your voice plays in my head.

i love your hands, i love your skin, i love being held by you.
i love you, just who you are, just how you exist.
i love every single little detail of you, iâ€™m yours.

please,
Give me one chance, I promise, I will love you till the end.
Give me on chance, I promise i will always put you first.
One chance, I promise, iâ€™ll give you everything in the world.
One chance, cant you see all I see is you?
All my loves devoted to you.

I would give you the world, if you just gave me one chance.
Donâ€™t you see how in love with every detail of you i am.
I want to give you a new world, build it all for you. I see my whole world within you,
All my loves devoted to you.
i love you

i love you, i do
i will wait for you, i will
i love you, oh you
