

# Take It Down

**John Hiatt**

Take everything that we have  
Take it and burn it to the ground  
Some things were never meant to lastTake it down, down, down  
Take it down, take it down, down, down  
Take it downI'm still married to it all  
That ain't no place to hang around  
My love is 50 feet tallTake it down, down, down  
Take it down, take it down, down, down  
Take it downI've grown accustomed to the way  
You hurled us into space  
I'll never make that tripTears all rusted on my face  
And I'm just an empty place  
Where your love used to fitSouth Carolina where are you  
We were once lost and now we're found  
The war is over, the battle's throughTake it down, down, down  
Take it down, take it down, down, down  
Take it downTake it down, down, down  
Take it down, take it down, down, down  
Take it down
