

Sunday Morning

Orchestral Manoeuvres In the Dark

(Reed) Sunday morning, praise the dawning
It's just a restless feeling by my side
Early dawning, Sunday morning
It's just the wasted years so close behind Watch out, the world's behind you
There's always someone around you who will call
It's nothing at all Sunday morning and I'm falling
I've got a feeling I don't want to know
Early dawning, Sunday morning
It's all the streets you crossed, not so long ago Watch out, the world's behind you
There's always someone around you who will call
It's nothing at all Watch out, the world's behind you
There's always someone around you who will call
It's nothing at all Sunday morning
Sunday morning
Sunday morning
