

# Hold It

Marshall Crenshaw

(Hold it)  
Rain on my window  
(Hold it)  
Michael on my radio  
737, the room I'm in  
This moment won't ever be here again(Hold it)  
Try to remember  
(Hold it)  
Hold on tight forever  
To your life and love every night and day  
Hold on and don't let it slip away Whenever sadness and darkness  
Threaten to mess up my day  
When the blues come around me  
I throw my hands in the air and I say(Hold it)  
World's in a hurry  
(Hold it)  
Too many worries  
But I don't want to lose everything I've gained  
So I tell myself again and again(Hold it)  
Try to remember  
(Hold it)  
Hold on tight forever  
To your life and love every night and day  
Hold on and don't let it slip away And whenever somebody tells you  
That all the good times are through  
Look into their eyes and tell them  
I'm sure surely glad that I'm not you Hold it  
Hold it  
Hold it Hold it  
Hold it  
Hold it Yeah, I throw my hands in the air and I say(Hold it)  
World's in a hurry  
(Hold it)  
Too many worries  
But I don't want to lose everything I've gained  
So I tell myself again and again(Hold it)  
Rain on my window  
(Hold it)  
Michael on my radio

737, the room I'm in  
This moment won't ever be here againHold it  
Hold it  
Hold it
