

# Take a Little Walk With Me

## Ronnie Earl & The Broadcasters

Come on...take a little walk with me  
Come on....take a little walk with me  
Back to that same old place where we long to be.Come on...take a little walk with me  
Come on...take a little walk with me  
Back to that same old place Memphis Tennessee.Early this morning about half past three  
You were doing something really worrin' me  
Come on...take a little walk with me  
Back to that same old place where we long to be.  
Come on baby...we're going to walk so slow  
After that you're going to wanna walk some more  
Come on....take a little walk with me  
Back to that same old place where we long to be.[Instrumental]Let's take a walk now...the old avenue  
I've got something baby I want you to do  
Come on...take a little walk with me  
Back to that same old place...Memphis Tennessee[Instrumental]I said let's take a walk down the old avenue  
I've got something I want you to do  
Come on...take a little walk with me  
Back to that same old place...where we long to be.  
I said late in the evening...round about midnight  
All you want to do darling is fuss and fight  
Come on babe....take a little walk with me  
Back to that same old place...where we long to be.
