Yeah, Akon, Miss Fatty's are burning on the dancefloor

Red one, It's nice to be nice, Mohombi

It's even nicer to be nicer, Mohombi

Big time, Red one, S Joe

Situation's dirty, dirty, dirty, dirty, dirty, dirty

Situation's dirty, dirty, dirty, dirty, dirty, dirty

Situation's dirty, dirty, dirty, dirty, dirty, dirty

Situation's dirty, dirty, dirty, dirty, dirty, dirty

She's a 666, hundred volt, danger in the disco

She drop it low, back it up, mammy's on the floor

Shaking that booty, oh, yeah

Shaking that booty, oh, yeah

Shaking that booty, oh, yeah

Shaking that booty, miss fatty

I'm electrified, got my eye, spinning like a Jojo

My money fly, in the sky, let the little flow

Time to get tipsy, oh, yeah

Time to get tipsy, oh, yeah

Time to get tipsy, oh, yeah

Time to get tipsy, oh, baby

Miss Fatty, your body, your body, your body's talking dirty

So dirty, so dirty, can't help but getting

Freaky, freaky, freaky, this situation's dirty

Dirty, dirty, oh, wee, oh

Miss Fatty, your body, your body, your body's talking dirty

So dirty, so dirty, can't help but getting

Freaky, freaky, freaky, this situation's dirty

Dirty, dirty, oh, wee, oh

When I came in the place, shawty wanna play me

If I look at the place man she would've maybe

If I gave her the rope man she would've hate me

Would, would, would've hate me

I can tell by the place man she would've blamed me
Wrap a dollar from my face when she would get up on me
And we all in the place being going crazy
Go go, going crazy

Well, I know if I didn't get her she wouldn't be pleased
And I never forget her nigga for making her leave
It was the best situation yeah you wouldn't believe
Would would, you wouldn't believe

After it all it that been done on me
She always wants to follow me
Girl you know you can follow me
Ca-ca-call on me

Miss Fatty, your body, your body, your body's talking dirty
So dirty, so dirty, can't help but getting
Freaky, freaky, freaky, this situation's dirty

So dirty, so dirty, can't help but getting
Freaky, freaky, freaky, this situation's dirty

So I can clean your mess, girl,
You're rocking with the best body

Miss Fatty, your body, your body, your body's talking dirty
So dirty, so dirty, can't help but getting
Freaky, freaky, freaky, this situation's dirty
Dirty, dirty, oh wee, oh
