

# Door to Door

## Beatbeat Whisper

Find me out awalkin' time  
the whistle starts acallin'  
maybe stoppin' early knockin'  
at your door.

Take so long to answer Lord  
knows it ain't the milkman  
would be stoppin' early sellin'  
door to door. This off'll get the stain out  
if you use it loosely wadded.  
Zhis here'll take the pain out  
and won't mess your hair.  
Place your order early 'cause  
you know I'm in a hurry  
your neighbor's in her door-way  
won't you sign right here.
