Into the Picture

Johnny Clegg

Mercy in bondage
In the final war for peace
Peasants, rebels, outcasts
Citizens' policeThis crazy century
and a dazzling frontier
And the shameless guilt of the domain of the world
And the genocide of innocenceHackers, slackers, generation-X backpackers
Tribesmen and rockstars on silicone screens
Virtual emotions, digital dreams
Rushing for tomorrow where the future used to be
{Refrain:}
I see the picture
I feel strong
I see the river
Flowing on
+
Do you see the picture?
Do you feel strong?
Do you see the river
Flowing on and on and on?I've been waiting for what you're waiting for
I've been knocking at the same door.
I want to know what
We have become.I want to touch your face, I want to get a sense of place
Before we step out into the sun.
Blue electric oceans
Information streams
Webs and nets in motion
Connecting you and me...
