

# Into the Picture

[Johnny Clegg](#)

Mercy in bondage  
In the final war for peace  
Peasants, rebels, outcasts  
Citizens' police This crazy century  
and a dazzling frontier  
And the shameless guilt of the domain of the world  
And the genocide of innocence Hackers, slackers, generation-X backpackers  
Tribesmen and rockstars on silicone screens  
Virtual emotions, digital dreams  
Rushing for tomorrow where the future used to be  
{Refrain:}  
I see the picture  
I feel strong  
I see the river  
Flowing on  
+  
Do you see the picture?  
Do you feel strong?  
Do you see the river  
Flowing on and on and on? I've been waiting for what you're waiting for  
I've been knocking at the same door.  
I want to know what  
We have become. I want to touch your face, I want to get a sense of place  
Before we step out into the sun.  
Blue electric oceans  
Information streams  
Webs and nets in motion  
Connecting you and me...
