

# To The Roots (Album Version)

## No Motiv

You say it all ok  
you say show me the way  
I say stand by me today  
and itl be ok  
You try  
then you deny the chance to rise up high  
think tough  
turn this one around  
Don let it get you down  
Yeah we gotta rock and roll  
Yeah, we gotta take control  
Wee got to make up for mistakes we made  
but to the roots we stay  
Carry on your shoulders the  
weight of all the world  
Guess what?  
Ie got news for you  
I can feel it too  
Take part  
please don refrain  
stand hard  
don be afraid  
Get set, ready, and go now  
let get it up right now  
New adventures seeking out  
new horizons coming around  
didn we say that we have to go  
In the same way we have to pick the right path to walk  
We have to pick up  
right where we left off
