

# Father I Worship You

Earnest Pugh

I draw nigh unto You, God above  
Your Spirit's so real  
And It's full of love  
You satisfy my deepest, longing needs  
Then, I heard a voice,  
Come from Your throne,  
Say worship Your God and Him alone  
So, I bless Your name in reverence and in fear

Father, I worship You  
Yes, Father, I worship You  
I let all that is within me  
Resolve to yield You glory  
Only to worship You

(ad-lib: Jesus, I live, I move, and have my being to worship You)

I will worship You in Spirit and in truth  
(I really do, Lord, I worship You in Spirit and in truth)  
In truth, In truth, Oh, In truth

Chorus:

Father, I worship You ( I really do, I really do oh, oh, oh)  
Father, I worship You ( Every fiber of my being comes to say)  
Oh, Oh, Oh Oh

Father, I worship You ( I bow my head and I bow my life before You, cause You're so worthy of the glory and  
the praise)

Father, I worship You (You're worthy of glory. I've come to say oh!)  
Oh, Oh, Oh Oh (Oh Oh Yeah, Yeah)

Father, I worship You  
I worship (x's 4)  
I reverence  
Your presence  
I reverence  
Your presence  
I worship (x's 20)

Oh Oh Oh Oh (until music stops)
