

# Take It Back

## Breathe Carolina

This feels oh so right to me  
Taking back all the words I said  
Never meant to say "Stay with me"  
It's all coming back to me  
Get back to the world I left  
Getting rid of everything I don't need  
So now the pressures off,  
Played this game before,  
So I know your bullshit tactics

And I swear, she would run,  
But she won't follow me  
And I'll tear up this love like it don't mean a thing  
For too long, it was you, way before it was me  
I'm not giving up, I gave up enough,  
It's back to me

Lies spread like your legs did  
Take it back it'll stop this track right here  
Can't keep my name out your mouth  
I know it's getting hard,  
But isn't that the way you liked it?

The pressures off,  
Played this game before,  
So I know your bullshit tactics  
And I swear, she would run,  
But she won't follow me  
And I'll tear up this love like it don't mean a thing  
For too long, it was you, way before it was me  
I'm not giving up, I gave up enough,  
It's back to me

Take it back when we were golden  
Told you we would shine forever  
Now it's just whatever  
Take it back when we were golden  
Now it's just melted down and sold

And I swear, she would run,

But she won't follow me  
And I'll tear up this love like it don't mean a thing  
For too long, it was you, way before it was me  
I'm not giving up, I gave up enough,  
It's back to me  
It's back to me  
It's back to me  
I'm not giving up, I gave up enough,  
It's back to me
