

# If You Don't Wanna Love Me

## Cowboy Troy

If you don't wanna love me  
Then I'll find somebody else who will  
Find another kind of thrill  
Find another way to fill this loneliness  
If you don't wanna love me  
I'll find somebody else who will  
Find another kind of thrill  
Find another way to fill this loneliness  
A married couple with kids and a family pet  
He takes for granted that it's all good, and things are set  
But she feels no passion in the romance  
It's been a year since they had their last slow dance  
Even worse her husband treats her like an ornament  
Every other week the kids have a tournament  
A team meeting or somewhere they gotta be  
But her heart's screamin', "Hey what about me?"  
Unbeknownst, another hound is in the chicken coop  
And he's makin' moves like a player to the hoop  
She met him at the gym or was it at the grocery?  
It doesn't matter 'cause you know where it's goin' be  
'Cause last year, her mister got caught cheatin'  
So she figures that this is gonna make 'em even  
He thought she'd wait like all the times before  
Until he found the note she left for him hanging on the door, it read  
If you don't wanna love me  
Then I'll find somebody else who will  
(Find somebody else who will)  
Find another kind of thrill  
Find another way to fill this loneliness  
If you don't wanna love me  
I'll find somebody else who will  
(Find somebody else who will)  
Find another kind of thrill  
Find another way to fill this loneliness  
She's sixteen, callin' home to her mama  
Afraid to talk 'cause she scared of all the noise and drama  
She's been gone for a week and a half  
All she wants is something to eat and a nap  
'Cause she's a runaway, runaway, runaway

Sleepin' under bridges and sleepin' in alleyways  
Afraid to go the shelter so at night she prays  
That hopefully she's gonna see some better days  
Meanwhile Mom and Dad are really frantic  
When they saw her clothes were gone you know they really panicked  
Thoughts in their mind, "Did she run to the border?"  
Or even worse "Will she be a case on Law and Order?"  
The silence in her room screams of not feelin' wanted  
Of not being good enough it almost seems haunted  
All her pain soon will be known  
When she leaves her Mom and Dad a message after the tone and says  
If you don't wanna love me  
Then I'll find somebody else who will  
(Find somebody else who will)  
Find another kind of thrill  
Find another way to fill this loneliness  
If you don't wanna love me  
I'll find somebody else who will  
(Find somebody else who will)  
Find another kind of thrill  
Find another way to fill this loneliness  
If you really wanna know me  
I guess you better show me  
Is it real or is it phony?  
Just love me or leave me alone  
If you don't wanna love me  
Then I'll find somebody else who will  
(I'll find somebody else who will)  
Find another kind of thrill  
Find another way to fill this loneliness  
If you don't wanna love me  
I'll find somebody else who will  
(I'll find somebody else who will)  
Find another kind of thrill  
Find another way to fill this loneliness  
This loneliness  
Find another kind of thrill  
If you don't wanna love me  
If you don't wanna love me  
I'll find somebody else who will
