Heart Like a Hurricane

Aaron Pritchett

Shes not easy to get close to
When youre on the outside looking in
Just when you think youve got her figured out
Shell turn and run away againShes got a heart like a hurricane
Causing everyone around her pain
But in the eye of the storm
Theres a place thats safe and warm
In her heart like a hurricaneIf you think you cant stand the weather
Afraid of running through the rain
Deep inside her soul
Theres a place where she can hold you
Close to her and never let you goChorusSoloChorusIn her heart like a hurricane
In her heart like a hurricane
