I Gotcha

Jesse James Dupree

I gotcha a uh
You thought you gotta away from me didn't ya
You thought I didn't see ya now didn't ya
You try to sneak by me now didn't ya, uh uh

Thought you'd been slick now didn't ya, uh uh
Now gimme what you promised me
Give it here, I gotcha
You promised me the day that you quit your boyfriend

That I'd be the next one to ease on in
Promised it would be just us two
And I'd be the only one kickin' with you
Now kiss me hold it a long time

Now hold it
Don't turn it loose now hold it
Don't turn it loose now hold it
A little bit longer now hold it

Little bit longer hold it, I gotcha
You made me a promise
And you gonna stick to it
You shouldn't promise if

Wasn't gonna do it
You saw me and ran in another direction
I'll teach you to play with my affection
Give it here never should a promise

Give it here don't hold it back
Give it here don't say nothing
Just give it here
Give it here, give it here

Don't say nothing, give it here
I gotcha, uh uh
Thought you got away now didn't ya, uh uh
Now gimme what you promised

Give it here, give it here
Gimme what you promised
Give it here, I gotcha
I gotcha
