

# Freak Me (Interlude) [feat. Lil' G] {Live}

Keith Sweat

Let me lick you up and down till you say stop,  
Let me play with your body, baby, make you real hot.  
Let me do all the things you want me to do.  
Cause tonight, baby, I wanna get freaky with you. Baby, don't you understand, I wanna be your nasty man.  
I wanna make your body scream then you will know just what I mean  
Twenty four karat gold, don't want the night to grow cold.  
I wanna lick you up and down and then I wanna lay you down  
Come on I'm so excited Let me lick you up and down till you say stop,  
Let me play with your body baby, make you real hot.  
Let me do all the things you want me to do,  
Cause tonight, baby, I wanna get freaky with you. I love the taste of whipped cream, Spread it on top of me.  
You know I can't resist you, girl, I'll fly you all around the world.  
I wanna see your body drip, Come on, let me take a sip.  
To calm what you cherish the most  
Cause we're not about to brag or boast. Let me lick you up and down till you say stop,  
Let me play with your body baby, make you real hot.  
Let me do all the things you want me to do,  
Cause tonight, baby, I wanna get freaky with you. Let me lick you up and down till you say stop,  
Let me play with your body baby, make you real hot.  
Let me do all the things you want me to do,  
Cause tonight, baby, I wanna get freaky with you. Let me lick you up and down till you say stop,  
Let me play with your body baby, make you real hot.  
Let me do all the things you want me to do,  
Cause tonight, baby, I wanna get freaky with you.
