No Evil

Luciano

In this world of war and hatred,
where has all the love gone?
Where....

Verse 1
Father never wants us to believe in him
this world of corruption and so filled with sin
Where every man believes he has the right to win
by ANY means necessary
Can't anybody see this madness?
Every man a push war and madness,
wanna know what's happening out there?
Don't you care what the people hear?

Chorus:
Where are the eyes that don't wanna see evil,
And the ears that don't want to hear it?
Life and death is in the words when we speak it.
And we fighting we just cant bare it.
Where are the hearts that want to do good?
And the mouths that want to spread it?
This music is the spirit of love
If you don't have it then you can't compare it.

Verse 2:
Lets make a joyful noise up to the Most High
instead of writing and singing lies
You say this is a job for you,
But who will fix the world when the job is through?
Who will repair the walls you've broken
Who will restore that love that was stolen
Who will rise after you fall?
And restore the world for all?

Chorus

ONE GOD...

Who created this music to spread His Love across THIS land.

HIS AIM...

Is for us to show the world to solve problems without guns in hand.

YOUR DESTINY...

Is to see the world that will NEVER justify wrong.
And to seek His inspiration EVERY time you write a song.

Chorus

Where are the hearts? Where are the soul men
People want to do good.
Can't take it no more, where are the hearts???
Where are the eyes that WANT to see???...
