

Where is My Mind

Trampled by Turtles

With your feet in the air and your head in the ground
Try this trick and spin, yeah
Your head will collapse
There's nothing in it and you ask yourself

Where is my mind?
Where is my mind?
Where is my mind?

Way out, in the water, see it swimming.

I was swimmin' in the Caribbean
Animals were hiding behind the rock
Except a little fish
He told me he swears, and tryin' ta talk to me, coy koi

Where is my mind?
Where is my mind?
Where is my mind?

Way out in the water, see it swimming

With your feet in the air and your head on the ground
Try this trick and spin it, yeah
Your head will collapse
'Cause there's nothing in it, and you ask yourself

Where is my mind?
Where is my mind?
Where is my mind?

Way out (In the water, see it swimming)
