

# Try Again

## Westlife

Hush now don't you cry,  
There will be a better day  
I promise you.  
We can work it out  
But only if you let me know  
What's on your mind Baby, I thought it was forever  
Through any kind of weather  
But some day you will find what you're searching for Try again,  
Never stop believing,  
Try again  
Don't give up on your love.  
Stumble and fall  
It's the heart of it all  
When you fall down (down)  
Just try again So lie down let it go  
Hey you will never be alone  
I promise you  
If you can't fight the feeling (oh yeah)  
Surrender in you heart  
Remember; love will set you free Baby, I thought it was forever  
You would always be together  
But some day you will find what you're searching for Try again (try again)  
Never stop believing  
Try again  
Don't give up on your love  
Stumble and fall  
It's the heart of it all  
So when you fall down (down)  
Just try again Baby when a heart is crying  
It's sometimes feels like dying  
The tear drops fall like rain Baby I thought it was forever  
You would always be together  
But some day you will find what you're searching for Try again  
Never stop believing (oh no)  
Try Again  
Don't give up on your love (don't give up on your love baby) Try again (just try again)  
Never stop believing (yeeahh)  
Try again  
Don't give up on your love

Stumble and fall  
It's the heart of it all  
When you fall down  
Just try again
