Denial

Ozzy Osbourne

You are my only daughter, I guess I made you twice
You look inside my other, he'll give you bad advice
I will tell you I'm OK, but deep inside I'm afraid
I don't drink Holy water, I'm not a son of Christ
I ain't no black Messiah, and I don't load my dice
You can tell me you're all right, but why are you so afraid?
You're in denial, you never will believe it's you
Denial, you always hide behind the truth
You'll never believe it, you never believe it's you
I don't think I'm amazing, in fact I'm quite insane
To live inside my bucket, with all my plastic chains
People tell me every time, I look at the wrong all right
You're in denial, you never will believe it's you
Denial, you always hide behind the truth
You'll never believe it, you never believe it's you
You'll never believe it, you never believe it
Secrets told you, dreamland holds you, secrets told you
You wouldn't believe it, you couldn't conceive it
Secrets told you
You wanna receive it, you gotta believe it's you
You're on a trip already, I'm tripping out alright
I'll get there slow and steady, just sit and hold on tight
Denial, you never will believe it's you
Denial, you always hide behind the truth
Denial, you never will believe it's you
Denial, you always hide behind the truth
Yeah, yeah
Behind the truth
Yeah, yeah
It's true
Yeah, yeah
Behind the truth
Yeah, yeah
It's you
Yeah, yeah
Behind the truth
Yeah, yeah
It's gonna be alright, just hold on tight
It's gonna be alright, just hold on tight
