

# Your Love Is a Lie (Live In NYC) [Amended]

## Simple Plan

I fall asleep by the telephone  
It's two o'clock and I'm waiting up alone  
Tell me, where have you been?  
I found a note with another name  
You blow a kiss  
But it just don't feel the same  
Cause I can feel that you're gone Can't bite my tongue forever  
While you try to play it cool  
You can hide behind your stories  
But don't take me for a fool You can tell me there's nobody else  
(But I feel it)  
You can tell me that you're home by yourself  
(But I see it)  
You can look into my eyes  
And pretend all you want  
But I know  
I know your love is just a lie  
It's nothing but a lie You look so innocent  
But the guilt in your voice gives you away  
Yeah, you know what I mean  
How does it feel when you kiss  
When you know that I trust you?  
And do you think about me when he fucks you?  
And could you be more obscene? So don't try to say you're sorry  
Or try to make it right  
And don't waste your breath  
Because it's too late, it's too late You can tell me there's nobody else  
(But I feel it)  
You can tell me that you're home by yourself  
(But I see it)  
You can look into my eyes  
And pretend all you want  
But I know  
I know your love is just a lie, lie  
It's nothing but a lie, lie  
You're nothing but a lie You can tell me there's nobody else  
(But I feel it)  
You can tell me that you're home by yourself  
(But I see it)

You can look into my eyes  
And pretend all you want  
But I know  
(I know)  
I know your love is just a lie  
(I know)  
I know you're nothing but a lie, lie  
You're nothing but a lie, lie  
Your love is just a lie
