Ask Myself

Robin Thicke

I gotta pop up pop up
Gotta get up every day
Somethin 4 me and my family
I gotta make decisions
And be somebody
Im growin up as fast as i can
I gotta make some money
Dont wanna live by their rules

In and out the day
In and out the night
Im a find my way
Just 2 survive

I gotta ask myself
Whats it gon be
Am i gon save myself
Whats it gon be
I gotta ask myself
What im gon do
Am i gon save myself
Whats it gon be

Somethin beautiful inside of me
Somethin wonderful inside of me
Somethin beautiful inside of me
Somethin wonderful inside of me

I gotta pop up pop up
Gotta live up 2 the words
Everyones talkin talkin
I gotta be somebody
And 4 my baby
Im growin up as fast as i can
I gotta make life better for everyone

Everyone everyone everyone
Just 2 survive
