

Army Ants

Stone Temple Pilots

You don't look but you kick me
You can't feel but you hit me
You can't deal with the way I pray
Why do we all have to look this way
I gotta heart I got blood feel painTime, time is not on my side
'Cause the way I am
Gotta gotta find gotta find the reason why
A woman ain't a manYou don't look but you kick me
You can't feel but you hit me
You can't deal with the way I pray
Why do you all have to think this way
I gotta heart I got blood feel painFall in those single file lines
Like army ants
Yeah fall into those single file lines and complete the planYou don't look but you kick me
You can't feel but you hit me
You can't deal with the way I pray
Why do we all have to think this way
I gotta heart I got blood feel painYou don't look but you kick me
You can't deal with the way I pray
