

# Let It Be

## Groove Coverage

My life lasts forever  
Let me be with you  
There's still so much silence  
That I'm going through  
My tears are in heaven  
But I must survive  
When angels are crying  
I'm ending my life Take the radio melody  
Sing with me  
Play the song oh let it be  
With the radio symphony  
Set you free  
What you get is what you see  
Take the radio melody  
Sing with me  
Play the song oh let it be  
With the radio symphony  
Set you free  
What you get is what you see  
On the radio symphony My dream lasts forever  
So where are you now  
I'm searching for nothing  
Cause love dies somehow  
No tears left in heaven  
That help me survive,  
The angels were crying,  
While I lost my life. Take the radio melody  
Sing with me  
Play the song oh let it be  
With the radio symphony  
Set you free  
What you get is what you see  
Take the radio melody  
Sing with me  
Play the song oh let it be  
With the radio symphony  
Set you free  
What you get is what you see  
On the radio symphony
