

Audience And Audio

Twin Atlantic

Can you hear me?
Is there anybody out there, but me?
You need to stop talking about yourself
About yourself
Your lies are loose and there's no excuse,
No excuse, there's no excuse.

Why don't you, why don't you kick it?
Why don't you, why don't you kick it?
When I get a taste, when I get a taste for it
When I get a taste, when I get a taste for it

Why don't you, why don't you kick it?
Why don't you, why don't you kick it?
When I get a taste, when I get a taste for it
When I get a taste, when I get a taste for it

Go please yourself
Please anybody, but me.
You need to stop talking about yourself.
About yourself
Your lies are loose and there's no excuse,
No excuse, there's no excuse.

Why don't you, why don't you kick it?
Why don't you, why don't you kick it?
When I get a taste, when I get a taste for it
When I get a taste, when I get a taste for it

Why don't you, why don't you kick it?
Why don't you, why don't you kick it?
When I get a taste, when I get a taste for it
When I get a taste, when I get a taste for it

And is there anybody out there?
Disassemble I'm trying to breathe
Yeah!
Hello, and is there anybody out there?
Hello, hello, hello, hello
And is there anybody out there?
