

# Cruisin'

## Analytical

Baby let's cruise away from here  
Don't be confused baby, the way is clear  
And if you want it you got it forever  
Oh, this is not a one night stand baby  
Let the music take your mind  
And just release and you will find, baby  
We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together  
Music was made for love  
Cruisin' is made for love  
I love it when we're cruisin' together  
Baby, tonight belongs to us  
Everything's right, do what you must, baby  
And inch by inch we get closer and closer  
Every little part of each other ooh, baby, baby  
Let the music take your mind  
Just release and you will find, baby  
We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together  
Music was made for love  
Cruisin' is made for love  
I love you when we're cruisin' together  
We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together  
Music was made for love  
Cruisin' is made for love  
I love you when we're cruisin' together  
Cruise with me baby, baby  
Oh baby  
Oh baby let's cruise, let's flow  
Let's glide, let's open up and go inside  
And if you want it you got it forever  
I can just stay there inside you and love you, baby  
Let the music take your mind  
And just release and you will find  
We're going to fly away

Glad you're going my way  
I love it when we're cruisin' together  
    Music was made for love  
    Cruisin' is made for love  
I love you when we're cruisin' together  
    We're going to fly away  
    Glad you're going my way  
I love it when we're cruisin' together  
    Music was made for love  
    Cruisin' is made for love  
I love you when we're cruisin' together  
    We're going to fly away  
    Glad you're going my way  
I love it when we're cruisin' together  
    Music was made for love  
    Cruisin' is made for love  
I love you when we're cruisin' together  
    We're going to fly away  
    Glad you're going my way  
I love it when we're cruisin' together  
    Music was made for love  
    Cruisin' is made for love  
I love you when we're cruisin' together
