

Cameosis

Cameo

CAMEO-O-O-O-OSIS

CAMEO-O-O-O-OSIS When you hear a group that moves you

And you feel it in your feet

You ask yourself, hold on a minute

What group now can this be, Get your body all excited

Cause if you listen you will know us,

It's got to be that crazy sound of that good ole Cameosis CAMEO-O-O-O-OSIS

Hay hay

CAMEO-O-O-O-OSIS If when you feel it, then you'll know it

It won't be long, you will all be strong with Dig the sound, dig the sound

Dig it with me... You can't believe it, if you try, you will do it CAMEO-O-O-O-OSIS

CAMEO-O-O-O-OSIS If you try us then you like us, if you like us, then you'll see, Ha

We'll make the funky music better for you and for me

Always right for what is happenin and for dancing with a choice

But if you even can't get that much then tell me what's the point CAMEO-O-O-O-OSIS

CAMEO-O-O-O-OSIS If when you feel it, then you'll know it

It won't be long, you will, all be strong with Dig the sound, dig the sound

Dig it with me... You can't believe it, if you try, you will do it Baby bubba baby (MUSIC VAMP) Baby bubba,

bubba CAMEO-O-O-O-OSIS

CAMEO-O-O-O-OSIS

CAMEO-O-O-O-OSIS

CAMEO-O-O-O-OSIS (MUSIC VAMP) CAMEO-O-O-O-OSIS

CAMEO-O-O-O-OSIS

CAMEO-O-O-O-OSIS
