Serenade

Dover

And I relate to my best friend, she would advice me
she broke our code and she put on her jacket
now it scares me because she's really gone.
And I relate to my best friend, do you remember?
she was so young and now that we're burning
they're scared because she's really gone.
Chorus:
And if it's going to be my destiny
I don't want to wait till it comes to me
I will work so hard my hands will hurt
I will pay for my sins, if so in hell.
Serenade, serenade me
they say and dry but I'm just sick
Serenade me
they say I'm cold but I'm just sick
Serenade me
