

Gokula

Kula Shaker

[Verse 1]

If you won't set me free
I'll have to ride on my own
If you won't let me be
I'll have to find my way home[Bridge]
Well the minutes that are getting faster
Push me closer to the edge

Aah....

Aah....[Verse 2]

I'm not a photograph
I've got a mind of my own
If you won't set me free
I'll have to find my way home

Aah....

Aah....

Aah....
