

You Upset Me, Baby

Joe Bonamassa

Yes, she's 36 bust,
28 in the waist,
44 on the hip.
She's got some crazy legs. You upsets me baby.
You upsets me baby.
Like beein' hit by a fallin' tree,
woman what you do to me. Well, she's not too tall,
complexion is fair.
It knocks me out
the way she wears her hair. You upsets me baby.
You upsets me baby.
Like beein' hit by a fallin' tree,
woman what you do to me. Well, I try to describe her.
It's hard to stop.
I better stop now
in case I got a weak heart. You upsets me baby.
You upsets me baby.
Like beein' hit by a fallin' tree,
woman what you do to me.
Yeah! Yeah! Try to describe her.
It's hard to stop.
I better stop now
in case I got a weak heart. You upsets me baby.
You upsets me baby.
Like beein' hit by a fallin' tree,
woman what you do to me. It upsets me baby.
It upsets me baby.
It upsets me baby.
It upsets me baby.
Like beein' hit by a fallin' tree,
woman what you do to me.
That's right. Hoh! It upsets me baby.
Ooh, upsets me baby,
Yeah, I'm tellin' you
she's so fine,
somethin' that you ought to see.
