

Dirty

Everlast

And I'm so dirty
Call me daddy
You're so sexy
You can be my bad girl If someone hurt you
And you tried to hide it
I'll cut you deeper
'Cause I know you like it Pain I got, girl
Can satisfy you
But I can't love you
I won't even try to And that junkie urge
Deep down inside you
Couldn't keep my secret
But I know you'd like to Girl, you never gon' get
Love from a heart of stone
Some of us were just plain
Meant to be alone I'm all out of secrets
I'm running out of lies
And I can see the end, girl
When I look into your eyes
Yeah, yeah, yeah, yeah And I'm so nasty
And I'm so greedy
And I'm so lonesome
Girl, I'm so needy I want to take you
And make you my girl
My willing hostage
My favorite prisoner I'll be your owner
And I'll be your jailer
I'll be your lover
Girl, I'll be your Savior I'll be your alpha
And your omega
I'll break your heart, girl
And you'll call me later Girl, you never gon' get
Love from a heart of stone
Some of us were just plain
Meant to be alone I'm all out of secrets
I'm running out of lies
And I can see the end, girl
When I look into your eyes
Yeah, yeah, yeah, yeah, yeah, yeah And I'm so dirty

Call me daddy
You're so sexy
You can be my bad girl I'm so dirty
Call me daddy
You're so sexy
You can be my bad girl I'm so dirty
Call me daddy
You're so sexy
You can be my bad girl I'm so dirty, yeah
Call me daddy
You're so sexy
You can be my bad girl
