

# Home In Your Heart

## Otis Redding

Don't you know I got to find me a home  
Right now in your heart I'll travel over miles and down the highways, babe  
Through the valleys every byway  
Just to find me a home right now in your heart I'll bring you to the music, refueling  
Everything you wanna  
Everything you need babe  
Just to have me a home right now in your heart Baby I'll travel for you over miles and  
Through the valley babe  
Down all the highways  
Through the valleys honey  
Just to find me a home right now in your heart
