X-Mas In Texas

Driver Friendly

It's my favorite time of year
and God I wish you were here
The only color for the season is blue
It's not Christmas in Texas without youIt's the season of giving the season to be nice
Hope we'll be lucky if we can see some ice
It's December in Texas and everything feels the sameLeaves won't be falling from trees
Cause it's still 85 degrees
t's Christmas in Texas and I'm feeling alone
There's no way that you'll be coming home
It's my favorite time of year
and God I wish you were here
The only color for the season is blue
It's not Christmas in Texas without youWell we used to cut that tree down from the neighbor's farm
String some lights on those limbs with some luck (and hang a Lone Star on that old Evergreen baby)
It's December in Texas and I'm feeling alone
There's no way that I'll be coming homeIt's my favorite time of year
and God I wish you were here
The only color for the season is blue
It's not Christmas in Texas without youFeed the world let them know it's Christmas time
Feed the world let them know it's Christmas time
Feed the world let them know it's Christmas time
Feed the world let them know it's Christmas time
It's my favorite time of year
and God I wish you were here
The only color for the season is blue
It's not Christmas
It's not Christmas
It's not Christmas in Texas without you(I swear I'm going to have a party on Christmas day. That's what I'm talking about)
