

The Passenger (Iggy Pop)

The Jolly Boys

I am the passenger
I ride and I ride
I ride through the city's backsides I see the stars come out of the sky
Yeah, they're bright in a hollow sky
You know it looks so good tonight I am the passenger, I stay under glass
I look through my window so bright
I see the stars come out tonight I see the bright and hollow sky
Over the city's a rip in the sky
And everything looks good tonight
La, la, la, la, la, la, la, la Get into the car, we'll be the passenger
We'll ride through the city tonight
We'll see the city's ripped backsides We'll see the bright and hollow sky
We'll see the stars that shine so bright
And everything was made for you and me
All of it was made for you and me La, la, la, la, la, la, la, la He rides and he rides
He sees things from under glass
He looks through his window's eye
He sees the things he knows are his He sees the bright and hollow sky
He sees the city asleep at night
He sees the stars are out tonight
And all of it is yours and mine
And all of it is yours and mine
So let's take a ride and ride and ride La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
