Breakin' Up The House

Colin James

Over in the house every night
I bet they have a meetin' and some kind of fight
Yes, they're breakin' up the house
Yeah, breakin' up the house
If we don't have a meetin' they're gonna have some kind of fightMonday's this, Tuesday's that
Wednesdays is the neighborhood chewin' up the fatYes, we're breakin' up the house
Yeah, breakin' up the house
If we don't have a meetin'
Then everybody's gonna get real tightI walked to the corner called the raisin' sun
Raisin' up the roof for as all they've doneYeah, they're breakin' up the house
They're breakin' up the house
If they open up the bottle
Then everybody gets real tightLast night and the night before
55 people came walkin' through my door
Yeah, they're breakin' up the house
Aw, they're breakin' up the house
And if they don't have a meetin'
They gonna have some kind of fightWell, they party in the attic and the cellar too
Call me so crazy man I don't know what to doYes, they're breakin' up the house
They're breakin' up the house
And if they don't have a meetin'
They sure gonna have some kind fightIn walked Cindy Lou
She brought her whole family too
Took off the hats, coats and shoes
They ate up all the food then they took
A little snoozeYes, they're breakin' up the house
They're breakin' up the house
If they don't have a meetin'
They still gonna have a ?Yeah, breakin' up the house
Yeah, we're breakin' up the house
Oh, breakin' up the house
Well, we're breakin' up the houseIf they don't have a meetin'
They gonna have some kind a fight
Yeah, if they don't have a meetin'
They sure gonna have a fight
