

# Breakin' Up The House

Colin James

Over in the house every night  
I bet they have a meetin' and some kind of fight  
Yes, they're breakin' up the house  
Yeah, breakin' up the house  
If we don't have a meetin' they're gonna have some kind of fight Monday's this, Tuesday's that  
Wednesdays is the neighborhood chewin' up the fat Yes, we're breakin' up the house  
Yeah, breakin' up the house  
If we don't have a meetin'  
Then everybody's gonna get real tight I walked to the corner called the raisin' sun  
Raisin' up the roof for as all they've done Yeah, they're breakin' up the house  
They're breakin' up the house  
If they open up the bottle  
Then everybody gets real tight Last night and the night before  
55 people came walkin' through my door  
Yeah, they're breakin' up the house  
Aw, they're breakin' up the house  
And if they don't have a meetin'  
They gonna have some kind of fight Well, they party in the attic and the cellar too  
Call me so crazy man I don't know what to do Yes, they're breakin' up the house  
They're breakin' up the house  
And if they don't have a meetin'  
They sure gonna have some kind fight In walked Cindy Lou  
She brought her whole family too  
Took off the hats, coats and shoes  
They ate up all the food then they took  
A little snooze Yes, they're breakin' up the house  
They're breakin' up the house  
If they don't have a meetin'  
They still gonna have a ? Yeah, breakin' up the house  
Yeah, we're breakin' up the house  
Oh, breakin' up the house  
Well, we're breakin' up the house If they don't have a meetin'  
They gonna have some kind a fight  
Yeah, if they don't have a meetin'  
They sure gonna have a fight
