Alive and Free

New Life Worship

We will dance upon the chains that fall
Fall from the redeemed and ransomed soul
We will dance we will sing
We will join our hearts in unityWe will dance upon the solid ground
Holding to the promise that surrounds
Not by strength not by sight
By the spirit of the living GodPre-Chorus
With all our hearts
We will praise Him
He's alive
He's alive and I'm free
Every chain
He has broken off of me
Sing it out
Shout it out in victory
He's aliveWe're alive and free
We're alive and free
We're alive and free
We're alive and freeWe will sing the song upon the earth
A song of hope a song of His great worth
Jesus lives Jesus lives
Our redemption has been found in Him
My sin for his mercy
My shame for His freedom
My pain for His freedom
He traded all my debt for my lifeNow I sing in His mercy
I dance in His grace
I live in His freedom
He paid it all so I give my allWe're alive and free
We're alive and free
We're alive and free
We're alive and free
