Beelzebub

Cancer Bats

Worship the shrine of the reckless.
Let all of the pieces just slip through the cracks.
Focus just on destruction.
Keep all of the fear in the bags of my eyes.And I'll always be, the jerk that you need.In reach for dependance,
Only these hands shake as much as they hold.
I try my best to hide it.
Keep all of the fear in the bags of my eyes.And I'll always be, the jerk that you need.
But I'm just as scared of this too,
As terrified as you.
We're in this you and I.
But I'm just as scared of this too,
As terrified as you.
We're in this you and I.It's easy to hide behind madness.
Let all of the pieces just slip through the cracks.
Brutality confronts the weakness.
Keep all of the fear in the bags of my eyes.And I'll always be, the jerk that you need.
But this truth is a lie, in all honesty.I just get scared of this too,
As terrified as you.
We're in this you and I.
I just get scared of this too,
As terrified as you.
We're in this you and I.
I just get scared of this too,
As terrified as you.
We're in this you and I.
I just get scared of this too,
As terrified as you.
We're in this you and I.
