Hello Sunshine

BarlowGirl

Hello sunshine, it's been too long since I
Felt your beautiful warmth upon my face
And how much have I missed
'Cause I've been focused on everything wrongThis road just felt so long
I forgot to lift my head to see youOh my lovely, shining for me
Let my eyes see all the beauty
Ohh, ohhHello sunshine, since the moment that I
Felt your beautiful warmth I knew that I'd do
Anything to keep this feeling of you
My heart comes aliveOh, who could add a day
To the life by drowning every dark skyOh my lovely, shining for me
Let my eyes see all the beauty
Ohh, ohhFill my dark skies
Make me see the light, life is fine
So bring in the sunshine
Ohh, ohhLet in the, let in the sunshine
Whoa, oh, oh, let in the sunshine
Let in the, let in the sunshine
Whoa, oh, oh, let in the sunshine
