BARRICADED

Jahcoozi

Getting what I wanna be, is getting every one away from me
Looking right, I look around and see that everyone is seeing sound
Get away you looked at me and it was everything it should have been
Feeling sick and wanna die, I talk my shit and then I say goodbye
If I couldWhat I can't be is everyone
A part of me has come undone
If I say
If I say
Don't look at me
Don't look at me
Don't look at me
Don't look at me
Don't look at me
Don't look at me
And walk awayGet like me is every thing I wanna say
Barricaded in my own delayGetting back would be a lie, cause every thing I do is hindered by
The way I talk and who I am, the way I think about this fucking band
Anyway I wanna know, what we've really got and where we go
I feel alive but in the way, is every single thing I wanna say
If I couldWhat I can't be is everyone
A part of me has come undoneIf I say
If I say
Don't look at me
Don't look at me
Don't look at me
Don't look at me
Don't look at me
Don't look at me
And walk awayGet like me is every thing I wanna say
Barricaded in my own delayI can't be this every thing is pain
I can't see this every single day
I can't be this every thing is pain
I can't see this every single dayBarricaded, barricaded in
Barricaded, barricaded in
Barricaded, barricaded in
Barricaded, barricaded in
