

Such a Night

Elvis Presley

It was a night oh oh what a night
It was it really was such a night
The moon was bright oh how so bright
It was it really was such a night
The night was alight with stars above
Oh oh when she kissed me
I had to fall in love
Oh it was a kiss oh oh what a kiss
It was it really was such a kiss
Oh how she could kiss oh what a kiss
It was it really was such a kiss
Just the thought of her lips
Sets me afire
I reminisce and I'm filled with desire
But I'd gave my heart to her in sweet surrender
How well I remember, I'll always remember
Oh, what a night oh oh what a night
It was it really was such a night
Came the dawn and my heart and her love
And the night was gone
But I'll never forget the kiss
The kiss in the moonlight
Oh oh such a kiss, such a night
It was a night oh oh what a night
It was it really was such a night
Came the dawn and my heart and her love
And the night was gone
But I'll never forget the kiss
The kiss in the moonlight
How well I remember, I'll always remember
That night oh oh what a night
It was it really was such a night
When we kissed I had to fall in love
But I'd gave my heart to her in sweet surrender
How well I remember, I'll always remember
Oh that night oh oh what a night
It was it really was such a night
When we kissed I had to fall in love
Well she's gone, gone, gone

Yes she's gone, gone, gone
Came the dawn, dawn, dawn
And my love was gone
But before that dawn
Yes before that dawn and before that dawn
Oh oh, oh oh, oh oh, oh oh, oh oh
Such a night
