

# Six Pack Of Beer

## Hank Williams III

well i'm working real hard and not gettin paid i'm sick of this life and i gotta get a break  
I've been real high and I've been down low and i live in a shack on a country dirt road  
so i'm workin real hard and not getting paid and i'm sick of this life and i gotta get a break  
and i just can't get by anymore. I've been real high and I've been down low  
and i live in a shack on a country dirt road and my best friend is my magnum forty four Well workin' real hard  
ain't hard to do When you got you a lotta money comin' to you  
But I ain't got a dime so I'll just sit here  
Even Though I'm Broke I've Got A Six-pack of Beer. Well I've paid my dues And I've paid my rent And they  
still try to take everything they can.  
Well I thought I had a good thing going on But the sheriff broke my door and he took me on  
And he said hey boy you owe the government. Well workin' real hard ain't hard to do When you got you a lotta  
money comin' to you  
But I ain't got a dime so I'll just sit here Even Though I'm Broke I've Got A Six-pack of Beer.
