Just in case you never know
Just in case you never know oh oh

Do you feel the same
I doh wanna play, games
No games, ohhh
You're the only that can out my flame
Baby just play it straight straight
No games, ohhhWe've been together six months now (the most perfect days)
You pushed for us to exchange vows (baby changed my ways)
I gave my life over to you
And you turned around
After all that we've been through
I was your reboundGirl I want you (all time)
I'll forever love you (you're mine)
I'm not mad even though I'm sad (cause you)
Should give me one more chance[Chorus]Is this the life you really want (constant delusion)
Your time with me was very fun (there's no illusion)
But I don't know you anymore
When you walked outside that door
You left your rep yeaGirl I want you (all time)
I'll forever love you (you're mine)
I'm not mad even though I'm sad (cause you)
Should give me one more chance[Chorus]Cause you're my one and only
I'm still here feeling lonely
Feel it wasted
Yea yea uh ah
You're my sunshine I need you back
One more time, timeLove you girl
Do you feel the same
I don't wanna play games
No games oh
You're the only one that can out my flame
Baby just play it straight straight
