

Speed Up (Karan Luthra's Snaxy Summer 2012 Remix)

Funkerman

Try to keep up with me
'Cause I can give you some
All the loving you need
I give you such a rush
Baby step up your game
Keep up with my pace
Girl I know that you want it
Don't hesitate I want you behind my bedroom doors
Ready or not, we're about to speed up Try to keep up with me (me , me, me)
'Cause I can give you some, oh oh
All the loving you need (need, need, need)
I give you such a rush (rush , rush)
Baby step up your game (game, game, game)
Keep up with my pace (pace, pace)
Girl I know that you want you want, you want, want it
Don't hesitate I want you behind my bedroom doors
Ready or not, we're about to speed up
I'm lovin' you girl (3x) Try to keep up with me (me , me, me)
'Cause I can give you some, oh oh
All the loving you need (need, you need, need)
I give you such a rush (rush , rush)
Baby step up your game (game, game, game)
Keep up with my pace (pace, pace)
Girl I know that you want (you want, you want, want it)
Don't hesitate I want you behind my bedroom doors
Ready or not, we're about to speed up
I'm lovin' you girl (2x)
