

# Who Knows Where the Time Goes?

Judy Collins

across the morning sky  
all the birds are leaving  
ah, how can they know it's time for them to go  
before the winter fire  
we'll still be dreaming  
I do not count the time

who knows where the time goes  
who knows where the time goes

sad deserted show  
your fickle friends are leaving  
ah, but then you know it's time for them to go  
but I will still be here, I have no thought of leaving  
I do not count the time

who knows where the time goes  
who knows where the times goes

and I'm not alone  
while my love is near me  
and I know it will be so til it's time to go  
so come the storms of winter  
and then the birds in spring again  
I do not fear the time

who knows how my love grows  
who knows where the time goes

---
